**ROUND TABLES**

Sponsored by

As a run up to the 24th Skoch Summit, and as part of the Digital Inclusion Day, a Round Table Discussion on "Financial Deepening and Role of ICT" was organized. As part of our ongoing "National Study on Financial Deepening" this looked at technology related areas that are crucial for outreach, scaling as well as bringing transaction costs down.

Another Round Table Discussion on "Converged Infrastructure on Speeding e-Governance" - as part of our ongoing "National Study on Speeding Digital Inclusion" looked at how converged infrastructure can lower costs of acquisition and implementation, faster time to revenue and accelerate outcomes.

Co-organised with:

Department of Information Technology, Ministry of Communications and Information Technology Government of India
